Las Vegas Metropolitan Police Department

Misdemeanor & Traffic Citation Complaint

Guide General Instructions

Purpose

It is the policy of this department to issue misdemeanor citations whenever possible in lieu of actual physical arrest. Use of the misdemeanor citation is to be consistent with current misdemeanor citation procedures of Department policy and State laws. The State laws and the Department have both placed limitations on the issuing of misdemeanor and traffic citations.

The Citation/Complaint form may be used in lieu of arrest for misdemeanors, including juvenile offenses and most traffic violations. The effective use of the Citation/Complaint can save valuable time, which can be used for other law enforcement functions.

Misdemeanor Citation: A document completed for select misdemeanor offenses in lieu of arrest but serving as a promise to appear before a magistrate.

Traffic Citation: A document completed for select traffic offenses in lieu of arrest but serving as a promise to appear before a magistrate.

Class II Citation: Used for persons ineligible for a field citation. Class II citations require transportation of the individual to a detention facility for further processing and then release.

NRS: DISCRETION & ISSUING OF CITATIONS

Misdemeanor Citations

NRS 171.177 **When person detained must be taken before magistrate.**

Except as otherwise provided in NRS 171.122 and 171.178, whenever any person is detained by a peace officer for any violation of a county, city or town ordinance or a state law which is punishable as a misdemeanor, the person must be taken without unnecessary delay before the proper magistrate, as specified in NRS 171.178 and 171.184, in the following cases:

1. When the person demands an immediate appearance before a magistrate;
2. When the person is detained pursuant to a warrant for the person's arrest;
3. When the person is arrested by a peace officer; or
4. In any other event when the person is issued a misdemeanor citation by an authorized person and refuses to give his written promise to appear in court as provided in NRS 171.1773.

NRS 171.1771 **Issuance of citation when person detained by peace officer.**

Whenever any person is detained by a peace officer for any violation of a county, city or town ordinance or a state law which is punishable as a misdemeanor and the person is not required to be taken before a magistrate, the person shall, in the discretion of the peace officer, either be given a misdemeanor citation, or be taken without unnecessary delay before the proper magistrate. The person shall be taken before the magistrate when the person does not furnish satisfactory evidence of identity or when the peace officer has reasonable and probable grounds to believe the person will disregard a written promise to appear in court.

NRS 171.1772 **Issuance of citation after arrest by private person.**

Whenever any person is arrested by a private person, as provided in NRS 171.126, for any violation of a county, city or town ordinance or state law which is punishable as a misdemeanor, such person arrested may be issued a misdemeanor citation by a peace officer in lieu of being immediately taken before a magistrate by the peace officer if:

1. The person arrested furnishes satisfactory evidence of identity; and
2. The peace officer has reasonable grounds to believe that the person arrested will keep a written promise to appear in court.

NRS 171.1773 **Form and contents of citation: When person detained by peace officer.**

1. Whenever a person is detained by a peace officer for any violation of a county, city or town ordinance or a state law which is punishable as a misdemeanor and the person is not taken before a magistrate as required or permitted by NRS 171.177, 171.1771 or 171.1772, the peace officer may prepare a misdemeanor citation manually or electronically in the form of a complaint issuing in the name of "The State of Nevada" or in the name of the respective county, city or town, containing a notice to appear in court, the name and address of the person, the state registration number of the person's vehicle, if any, the offense charged, including a brief description of the offense and the NRS or ordinance citation, the time when and place where the person is required to appear in court, and such other pertinent information as may be necessary. The citation must be signed by the peace officer. If the citation is prepared electronically, the officer shall sign the copy of the citation that is delivered to the person charged with the violation.

2. The time specified in the notice to appear must be at least 5 days after the alleged violation unless the person charged with the violation demands an earlier hearing.
3. The place specified in the notice must be before a magistrate, as designated in NRS 171.178 and 171.184.
4. The person charged with the violation may give a written promise to appear in court by signing at least one copy of the misdemeanor citation prepared by the peace officer, in which event the peace officer shall deliver a copy of the citation to the person, and thereupon the peace officer shall not take the person into physical custody for the violation. If the citation is prepared electronically, the officer shall deliver the signed copy of the citation to the person and thereupon the peace officer shall not take the person into physical custody for the violation. If the citation is prepared electronically, the officer shall deliver the signed copy of the citation to the person and shall indicate on the electronic record of the citation whether the person charged gave a written promise to appear. A copy of the citation that is signed by the person charged or the electronic record of the citation which indicates that the person charged gave a written promise to appear suffices as proof of service.

NRS 171.1774 **Form and contents of citation: When issued after arrest by private person.**

1. In those instances described in NRS 171.1772, the peace officer summoned after the arrest shall prepare a misdemeanor citation manually or electronically in the form of a complaint issuing in the name of "The State of Nevada" or in the name of the respective county, city or town, and containing:

   A. A notice to appear in court;
   B. The name and address of the person;
   C. The state registration number of the person's vehicle, if any;
   D. The offense charged, including a brief description of the offense and the NRS or ordinance citation;
   E. The time when and place where the person is required to appear in court;
   F. Such other pertinent information as may be necessary; and
   G. The signatures of the private person making the arrest and the peace officer preparing the citation.

2. The time specified in the notice to appear must be at least 5 days after the alleged violation unless the person charged with the violation demands an earlier hearing.
3. The place specified in the notice must be before a magistrate, as designated in NRS 171.178 and 171.184.
4. The person charged with the violation may give a written promise to appear in court by signing at least one copy of the misdemeanor citation prepared by the peace officer, in which event the peace officer shall deliver a copy of the citation to the person, and thereupon the peace officer shall not take the person into physical custody for the violation. If the citation is prepared electronically, the officer shall deliver the signed copy of the citation to the person and thereupon the peace officer shall not take the person into physical custody for the violation. If the citation is prepared electronically, the officer shall deliver the signed copy of the citation to the person and shall indicate on the electronic record of the citation whether the person charged gave a written promise to appear. A copy of the citation that is signed by the person charged or the electronic record of the citation which indicates that the person charged gave a written promise to appear suffices as proof of service.

NOTES

REQUEST FOR PROSECUTION

The Request for Prosecution is the form required by the District Attorney's Office to review and process case submissions. The form is used by the staff of that office to type and create the criminal complaint.

Under Submitting Agency:

Detail: AREA COMMAND – "DTAC OR DT34" "North" "PSU" "Homicide" – not "patrol" or "patrol detective"

Officer: Name of the officer submitting the case

Phone: A number where you can be reached – not "828-3111" or a generic number.

Fax: Your area command fax number

Agency Notes: Any other notation you want attorney/DAs office to be aware of.

Under Charging Information:

Charge: The actual charge you are requesting for prosecution – does not have to be the NOC Description "Transport" – not "sell, transport, give or attempt to sell transport, or give a schedule I or II controlled substance" – not only is this long, but it doesn't describe the actual charge.

Example: PCS Meth - not PCS Schedule I, II, III, or IV

Date/Time: The date/time of the incident (not arrest)

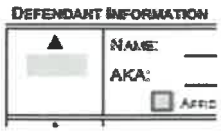
Event Number: Event # associated with that particular charge.

Location: Location of crime, specific for each one.

Victim: The actual aggrieved party (think who will testify) - if there is no victim no need to write "State of Nevada" - leave blank- this is not related to the concept that the "State of Nevada" is the one who initiates charges. On a stolen property case - it is the owner of the property, even though they were not on scene.

Defendant box:

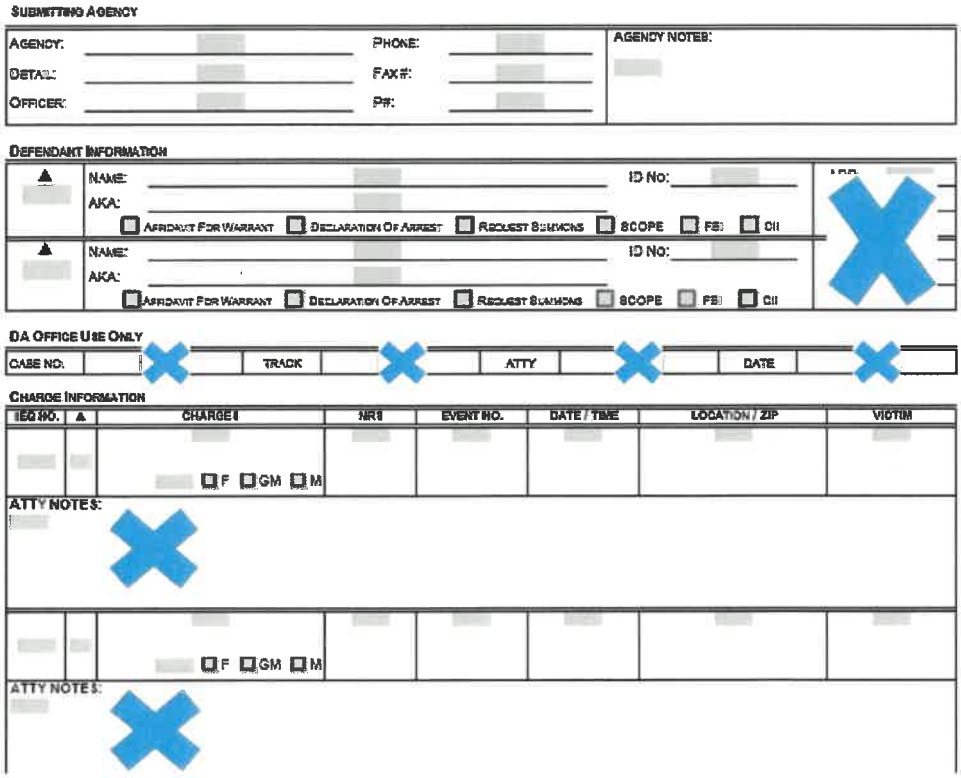
This box is to signify which defendant you want charged for which crime when you are charging more than one defendant. In single defendant cases, leave this box blank. If you want to charge both defendants for the same crime arising out of the same conduct: write A/B - you do not have to use one box for A and another box for B....i.e. one robbery/burglary where both defendants are liable - ok to use 1 box for robbery and 1 for burglary. When you have multiple defendants and want to charge them for separate crimes, use separate boxes and notate in this field if it is for the A defendant or the B defendant.



Under Defendant Information is where you are going to choose and designate which suspect will be the "A" defendant and which one will be the "B." DO NOT SIMPLY LISTS SUSPECTS IN ALPHABETICAL ORDER - The "A" defendant must be the most culpable party, if known.

Charge Information:

One box or two per charge/victim debate: Even for single defendant cases - if there are more than two counts for the same crime (i.e. Robbery) you may be able to use one box for the charging information, but you must list out the difference, i.e. two different victim names. When in doubt, use separate boxes.
When the conduct is different, when there are multiple dates or addresses, start using separate boxes.
If you have multiple crimes committed over and over (robbery series, multiple checks cashed all over) - list the crimes in date order - don't list 4 burglaries, 4 forgeries, and 4 thefts. List the burglary, forgery, theft for each incident and move on to the next event - when you are listing the crimes in order - for example if the location and date are the same, it is ok to put S/A until you get to the next event - as long as they are in this date/incident order.



Do not write in the areas with the X as those are used by the D/A staff to complete the required notes needed for the criminal complaint.
