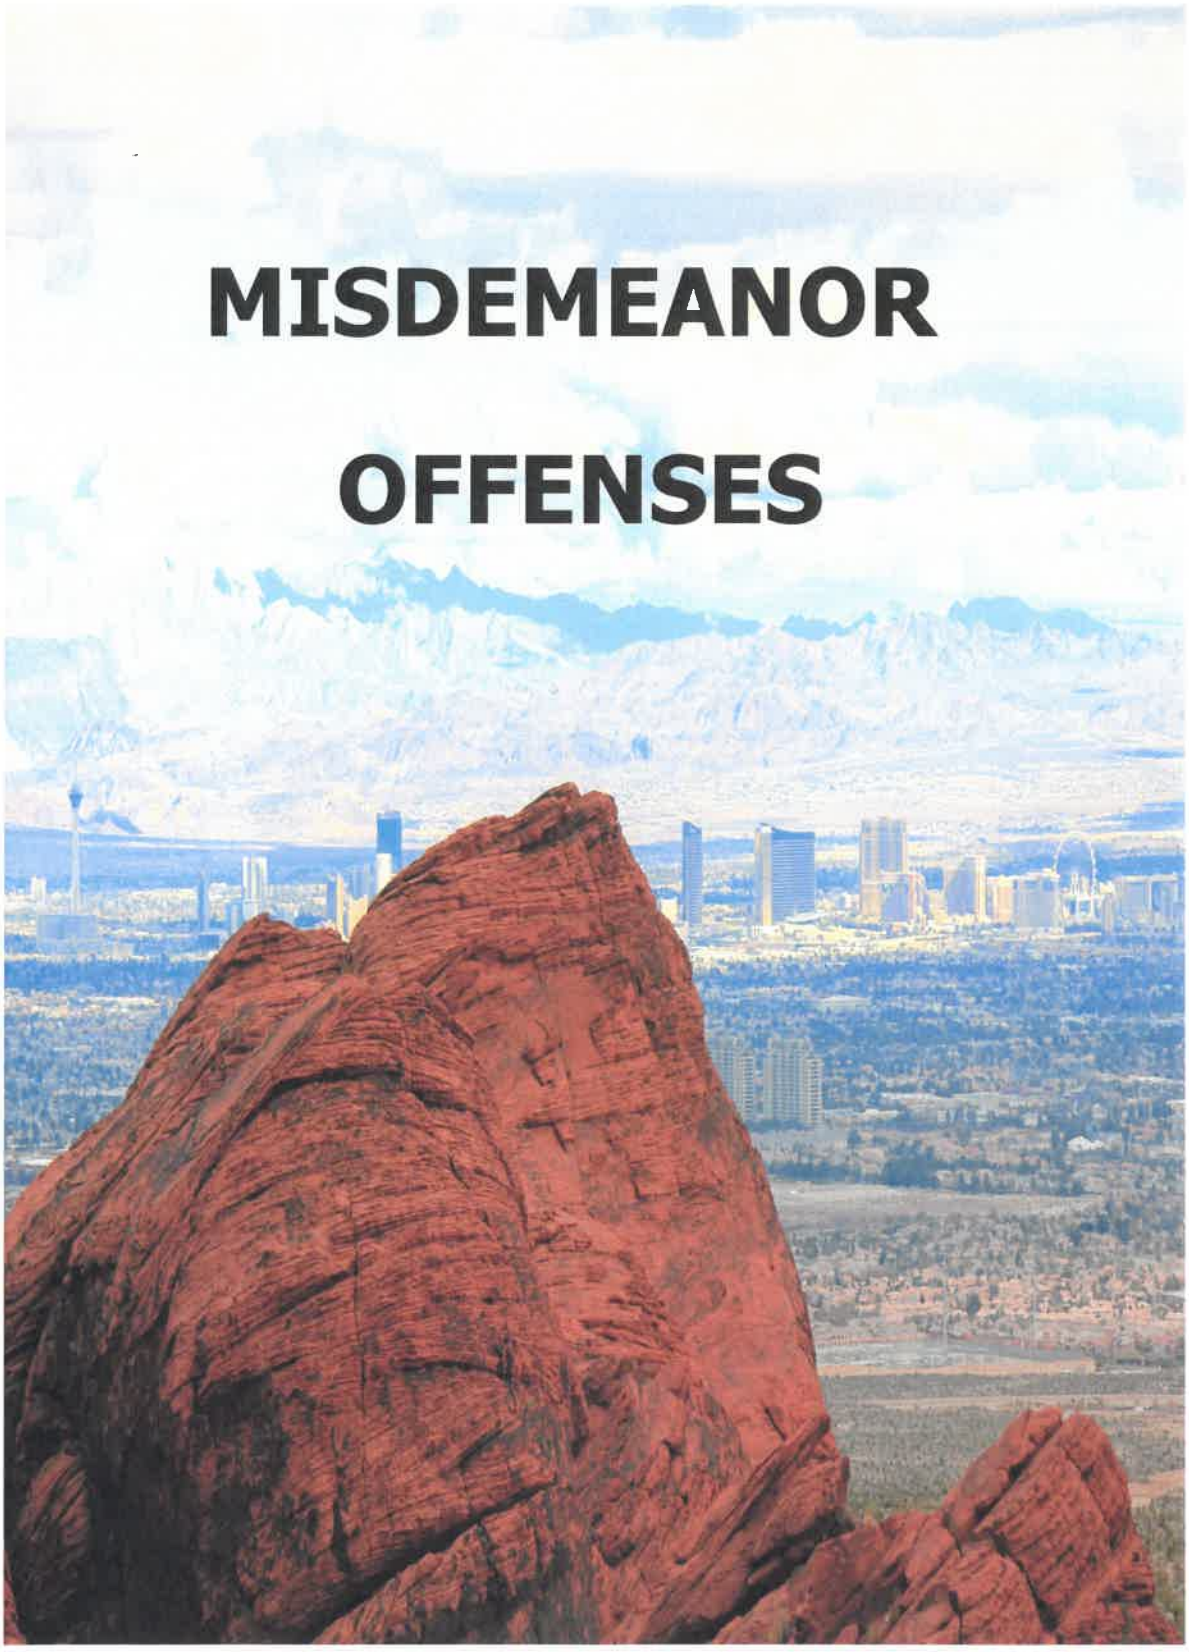
MISDEMEANOR OFFENSES



MISDEMEANOR OFFENSES

The following is not an all-inclusive listing of citable misdemeanor offenses. The most common offenses have been selected and the proper wording for each is included.

Citations may be issued for most misdemeanor offenses. The "To Wit" sections of the Criminal Offense Handbook have been reviewed and approved by the District Attorney's office and should be used verbatim in the "To Wit" section on the citation.

A misdemeanor citation can only be issued for D.U.I., if the suspect is going to be **admitted** to the hospital. Under **NO** circumstances will a citation be issued for Domestic Violence related charges. If the suspect is going to be admitted into the hospital, he/she will have to be booked in absentia.

*** NO CITATION can be issued for Domestic Violence. There are no exceptions to this rule**.

For County, officers will need to call the CCDC North Tower Bureau Lieutenant at 671-3669/3670 or as a last resort, Control Room at 671-3801 to make arrangements for a Corrections Officer to respond. Once relieved by the Corrections Officer, take all of the suspect's property with you to CCDC and complete the booking process. All paperwork associated with the arrest will be left at CCDC.

For City, officers will need to call the City Jail booking Sergeant at 229-1789 (alternative number 229-6531), to make arrangements for a corrections officer to respond. Write "Alternative Booking" on the top right hand corner of the TCR. Once relieved by the Corrections Officer, take all of the suspect's property with you to City Jail and complete the booking process. All paperwork associated with the arrest will be left at City Jail.

When completing the misdemeanor citation, **accuracy is important**. The importance of accuracy when entering the elements of the cited (non-traffic) offense cannot be overemphasized. As stated earlier in this instruction handbook, the original copy of the misdemeanor citation/complaint serves as a formal complaint and therefore must be legally accurate.

The elements of each offense are listed and the parenthesized "( )" information is instructions for specific information relating to that particular incident. Enter only the information called for in the parenthesized instructions. Full details of the citation should be contained in the "ARREST REPORT" on the back of the citation. If additional space is needed, then dictate an arrest report.

If a NRS is listed, it is a State law which is applicable to violations occurring in either the City of Las Vegas or Clark County jurisdictions. **If there is an applicable City or County ordinance for a particular offense, it would take precedence over an NRS**. Do not use the NRS sections in conjunction with or in place of available County or City ordinances. In cases where there is no applicable County/City ordinance, enter the NRS and the County or City **"catch all"** ordinance. If there is an applicable County/City ordinance for a particular crime the NRS appears in italics as a reference only.

*****NOTE:** The Nevada Offense Code (NOC), previously known as Booking Codes is correct and accurate at the time of publication but do change periodically. CCDC NOC are now 5-digit codes while City codes remain 4-digit, but are preceded with an "L" designation. The NOC have been included in this section to assist officers when completing misdemeanor citations in the field.***

County Ordinance 14.36.070 **PEDESTRIAN SOLICIT ON HIGHWAY**

City Booking Code 1204
NRS 484b.297

NRS 484B.297 ***A person shall not stand in a highway to solicit a ride or any business from the driver or any occupant of a vehicle. A person shall not, without a permit issued pursuant to NRS 244.3555 or 268.423, solicit any contribution from the driver or any occupant of a vehicle.***

"Highway" means the entire width between the boundary lines of every way maintained by a public authority when any part thereof is open to the use of the public for purposes of vehicular traffic. The term does not include a "freeway" as that term is defined in NRS 408.060.

11.30.110/ 14.36.070- Solicitation from roadway
No person shall stand in a roadway for the purpose of soliciting a ride, employment, or business from the occupant of any vehicle.

These ordinances do not address the most common situation: soliciting a contribution from a driver. This is why officers should cite or arrest under NRS 484B.297 rather than 11.30.110/ 14.36.070.

A VIOLATION OF NRS 484B.297 ONLY OCCURS IF THE SOLICITATION FOR A CONTRIBUTION OCCURS WITHOUT A PERMIT.
Officers must ask the person if they have a permit.
If the person answers "no" this fact must be articulated in the DOA or in the narrative of the citation.
If the person answers "yes" the officer should ask the person to produce the permit, when it was issued, how much they paid for it, etc.
The minimum cost of the permit is $50.
Permits are only valid for three days in a calendar year.
